This role will report to the GFA Clinical Development Manager.

This position will be for 4 days a week and will initially be contracted for a 1 year period with the option for annual extensions thereafter as required and feasible.

The Foundation offers:

- Flexible working arrangements
- Salary packaging is available, providing generous tax concessions
- A workplace culture that values self-care, wellbeing and family
- The opportunity to apply your clinical skills in an exciting new role

Primary responsibilities

- New client triage and pre-screening
- Implementation and expansion of the Gidget Village Group Treatment Program
- Provide ad-hoc clinical support to GFA administrative staff
- Establish and oversee the implementation of the organisation's Employee Assistance Program
- Work with the Gidget Clinician Educator to offer mentoring and support to clinicians
- Clinical Spokesperson on behalf of Gidget Foundation Australia
- Interview prospective GFA clinicians

Requirements:

- Clinical psychologist, registered psychologist or accredited mental health social worker with significant experience working in a clinical capacity with perinatal mental health.

The Foundation:

Gidget Foundation Australia is a not-for-profit organisation that supports the emotional wellbeing of expectant and new parents.

"Gidget" was the nickname of a vibrant young mother who tragically took her own life while suffering postnatal depression. She hid her suffering from even her loving family and friends. Together, they created the Gidget Foundation Australia determined that what happened to Gidget would not happen to others.
